**RE: Adult Day Health Care Proposed Elimination**

Dear Assembly Member Blumenfield:

I am urging you to oppose the Governor's proposal to eliminate ADHC. It is a bad choice that will **cost taxpayers at least \$51 million more than it saves**, worsen emergency room overcrowding, and harm the most vulnerable frail elderly and medically compromised adults in our state.

*BRIEFLY describe why you believe ADHC is important. Please focus on medical and therapeutic (not social) aspects of the program, our role in providing caregiver respite, and/or preventing hospitalizations and institutionalization.*

I respectfully request that you **reject** the Governor's proposal.

Respectfully Yours,

*Your Title*

*Your Organization*
